For the Management Committee the same number of nominations received as there is vacant positions and for all Liaison Committees there being fewer nominations received than vacant positions available, I hereby declare the nominees duly elected.

The new Liaison Committees are required by the Union's Rules to meet in September 2010. At this first meeting the Committee is required to elect a Chairperson, a Deputy Chairperson, and a Management Committee Representative from within the ranks of the Committee

The new Management Committee is required by the Union's Rules to meet in October 2010. At this first meeting the Committee is required to elect the Union's President, Vice-President, and Internal Auditor from within the ranks of the Committee.

The unfilled vacant positions (6 CCC Liaison Committee positions, 2 DCC Liaison Committee positions and 3 Environment Canterbury Liaison Committee positions) are deemed by the Union's Rules to be casual vacancies and the Committee concerned may appoint a member to fill the casual vacancy.

Nominations (or just an expression of interest from any member) to fill any of these casual vacancies may be sent to the Union Secretary, and will be placed before the appropriate Committee for consideration.

Angela Watson
Secretary and Returning Officer.
